

Yep! It's that time again when you get to make a new year's resolution! So, what will it be this year?

SMART
RESOLUTION
for
"GLOBALIZATION"

I have an idea: **LEARN TO SPEAK**
a new language
in 2011

Given our present 21st Century reality of
GLOBALIZATION, learning a new global
language as your new year's resolution, is
not just plain old common sense;

it's a matter of survival!
