### VIEWING AND COMPREHENSION STRATEGIES

*for success!*

#### **BEFORE** viewing each episode, ...

- Read the brief summary in English, so that you can understand the context of the episode you will view.
- Actively study, memorize & practice the episode’s vocab list & questions, each day, leading up to your viewing.
- Look at ALL the assigned questions, skipping through each one, BEFORE you view the episode.

#### **WHILE** viewing each episode, ...

- Make sure you are in a quiet, undistruptive environment, for a chunk of time of at least 30 minutes!
- Focus on trying to understand what is being said, what you read (turn on CC) and what is happening.
- Pause after each dialog segment, in order to reflect upon what you understood, or rewind to watch again.

#### **AFTER** viewing an episode, ...

- Login to your QUIA testing account, and complete the 12-question assignment.
- Consider viewing the episode again, when necessary, in order to answer questions accurately!
- If you are not satisfied with your assignment’s score, retake it up to 5 times. Your highest score counts!

**You can do this!**

*Completion of JUST ONE episode per week is part of your marking period's overall grade!*
